RIVERSIDE RESOURCES INC.
INFORMATION CIRCULAR
FOR THE 2023 ANNUAL GENERAL & SPECIAL MEETING OF SHAREHOLDERS

This information is given as of February 22, 2023

SOLICITATION OF PROXIES

This Information Circular is provided to registered and beneficial owners of the Company's shares in connection with the solicitation of proxies by the management of **RIVERSIDE RESOURCES INC.** (the "Company") for use at the Annual General and Special Meeting (the "Meeting") of the shareholders (the "Shareholders") of the Company, to be held on March 29, 2023, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment(s) or postponement(s) thereof. This Information Circular and other proxy-related materials are not provided to registered or beneficial owners of the Company's shares under the notice and access provisions of National Instrument 54-101.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the instrument of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

This Information Circular is accompanied by a management instrument of proxy that permits registered shareholders who do not attend the Meeting in person to have their shares voted at the Meeting by a proxyholder appointed by the registered shareholder. The persons named in the accompanying instrument of proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed instrument of proxy. To exercise this right, the shareholder must strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided or complete another instrument of proxy.**

The completed instrument of proxy must be dated and signed and the duly completed instrument of proxy must be deposited at the Company's transfer agent, Olympia Trust Company, PO Box 128 STN M, Calgary, Alberta, T2P 2H6, Attn: Proxy Dept. deliver it by fax to 403.668.8307 at least 48 hours before the time of the Meeting or any adjournment(s) or postponement(s) thereof, excluding Saturdays, Sundays, and holidays.

The instrument of proxy must be signed by the shareholder or by their duly authorized attorney. If signed by a duly authorized attorney, the instrument of proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a corporation, the instrument of proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives their power, as the case may be, or

a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies that do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by

- (a) **signing a proxy bearing a later date and depositing it at the place and within the time aforesaid,**
- (b) **signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment(s) or postponement(s) thereof, or**
- (c) **registering with the scrutineer at the Meeting as a registered shareholder present in person, whereupon such proxy shall be deemed to have been revoked.**

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named as proxyholder in the enclosed instrument of proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

In the absence of any direction in the instrument of proxy, it is intended that such shares will be voted in favour of the resolutions placed before the Meeting by management and for the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The instrument of proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters that may be properly brought before the Meeting. At the time of printing of this Information Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a “**Special Resolution**”, in which case a majority of not less than two-thirds of the votes cast will be required.

ADVICE TO BENEFICIAL HOLDERS OF SHARES

The following information is of significant importance to shareholders who do not hold shares in their own name. Beneficial shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of shares).

If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder’s name on the records of the Company. Such shares will most likely be registered under the names of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients. There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for "**Non-Objecting Beneficial Owners**").

Beneficial shareholders who are OBOs will not receive the materials unless their intermediary assumes the costs of delivery. In the event that voting instructions are requested from OBOs or NOBOs, such instructions will typically be sought by the shareholder receiving either a form of proxy or a voting instruction form. If a voting instruction form is supplied to you by your broker, it will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and the United States. Broadridge obtains voting instructions by mailing a voting instruction form (the "**Broadridge VIF**") which appoints the same persons as the Company's proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the Broadridge VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Broadridge VIF. The completed Broadridge VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

If you plan to vote in person at the Meeting:

- nominate yourself as the appointee to attend and vote at the Meeting by printing your name in the space provided on the enclosed voting instruction form. Your vote will be counted at the Meeting so do NOT complete the voting instructions on the form;
- sign and return the form, following the instructions provided by your nominee; and
- register with the Scrutineer when you arrive at the Meeting.

You may also nominate yourself as appointee online, if available, by typing your name in the "Appointee" section on the electronic ballot.

If you bring your voting instruction form to the Meeting, your vote will not count. Your vote can only be counted if you have completed, signed and returned your voting instruction form in accordance with the instructions above and attend the Meeting and vote in person.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company's authorized capital consists of an unlimited number of common shares ("**Common Shares**") without par value. As at February 22, 2023 (the "**Record Date**"), the Company has 74,448,464 Common Shares issued and outstanding, each Common Share carrying the right to one vote. At a general & special meeting of the Company, on a show of hands, every shareholder present in person has one vote and, on a poll, every shareholder has one vote for each Common Share of which he is the holder.

Only shareholders of record at the close of business on February 22, 2023 will be entitled to have their Common Shares voted at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns or controls or directs, directly or indirectly, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

Stock Option Plans and Other Incentive Plans

Stock Option Plan

The Company adopted a 10% rolling stock option plan dated January 23, 2015 (the “**Stock Option Plan**”) in accordance with the policies of the TSX Venture Exchange (“**Exchange**”), which provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Company non-transferable options, which are exercisable for a period of up to ten years (subject to an extension if the expiry date occurs during a black-out period), to purchase up to 10% of the issued and outstanding Common Shares in the capital of the Company. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer’s level of responsibility, authority and importance to the Company and the degree to which such executive officer’s long-term contribution to the Company will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants. The Stock Option Plan was approved by the shareholders of the Company at the Company’s annual general meeting that was held on March 24, 2022. The Board of Directors of the Company (the “**Board**”) approved the adoption of the 2023 Option Plan on February 15, 2023 subject to the approval of the Shareholders and the final acceptance of Exchange, as a result of changes made to the policies of the Exchange regarding security based compensation plans. See “*Particulars of Matters to be Acted Upon – Approval of New Stock Option Plan*” for further details.

Bonus Share Plan

The Company has adopted a Bonus Share Plan (the “**Bonus Share Plan**”) enabling the directors to issue bonus shares to employees, officers and directors. Following its adoption, the Bonus Share Plan required disinterested shareholder approval under the policy of the TSX Venture Exchange (the “**Exchange**”), which was obtained at the Company’s Annual General Meeting held March 8, 2019. The plan does not require further shareholder approval until such time as the number of shares reserved for the issue of bonus shares is increased, or the plan is otherwise amended in such a manner as to require shareholder approval under Exchange policy.

The purpose of the Bonus Share Plan is to attract, retain and motivate management and staff by providing them with the opportunity, through the issue of bonus shares, to acquire a proprietary interest in the Company and benefit from its growth. The material features of the Bonus Share Plan are as follows:

1. The Bonus Share Plan is administered by the Company’s Board of Directors or, if the Board so designates, a committee of the Board appointed to administer the plan;
2. The plan administrator may from time to time determine that an employee, officer or director of the Company has performed services for the Company that have a value in excess of the value for which the person has otherwise been compensated, the amount of such excess value being hereafter referred to as “Excess Value”, and may issue to that person common shares as compensation for providing such Excess Value (“**Bonus Shares**”);
3. The number of Bonus Shares so issuable is in the discretion of the plan administrator, provided however that the number of shares cannot exceed the number that results when the Excess Value is divided by the Discounted Market Price as defined in Exchange policy. Discounted Market Price generally means, subject to certain exceptions, the most recent closing price of the Company’s shares on the Exchange, less a discount of from 15% to 25% depending on the trading value of the Company’s shares;
4. In any 12 month period, no one person may receive a number of Bonus Shares that exceeds 1% of the issued and outstanding shares of the Company at that time (the “**Outstanding**

Shares") unless otherwise permitted by Exchange policy, and Bonus Shares may not issued in respect of Excess Value provided in the form of investor relations services. The plan administrator may impose such other restrictions, terms and conditions on the issue of Bonus Shares as it may determine in each case.

External Management Contracts

See "*Employment, Consulting and Management Agreements*" for a description of the consulting agreements between the Company and John-Mark Staude and Robert Scott.

Employment, Consulting and Management Agreements

Other than as disclosed below, no services were provided to the Company during the most recently completed financial year by a director or Named Executive Officer, or any other party who provided services typically provided by a director or Named Executive Officer, pursuant to any employment, consulting or management agreement between the Company and any other party, and the Company has no agreement or arrangement with any director, Named Executive Officer or any other party with respect to any change of control of the Company or any severance, termination or constructive dismissal of any director, Named Executive Officer or any otherparty, or any incremental payments triggered by any such change of control, severance, termination or constructive dismissal.

Neither John-Mark Staude, CEO, nor Robert J. Scott, CFO of the Company, are employees of the Company, but derive their compensation indirectly through consulting agreements as described in the following.

The base cash and bonus components of compensation payable for the services of John-Mark Staude and Robert J. Scott are paid to their respective companies. Stock options and bonus shares, when granted and issued, are granted and issued to these individuals in their personal capacities.

Consulting Agreement with John-Mark Staude

Pursuant to a consulting agreement dated January 1, 2011, between the Company and Arriva Management Inc. ("Arriva"), a company controlled by John-Mark Staude, Arriva supplies the services of John-Mark Staude as CEO of the Company for an annual fee of \$184,000. As of January 1, 2017, the annual fee was amended to \$252,000 (the "Annual Fee"). The term of the agreement is three years, with renewal thereafter on a yearly basis. The Company may terminate the contract for any reason by giving three months written notice and payment equivalent to the sum of the Annual Fee. In the event of a change of control of the Company during the term, Arriva may elect to terminate the agreement and receive a termination payment equal to two times the Annual Fee plus any benefits and bonus that would otherwise accrue in the two months following such termination.

Consulting Agreement with GSBC Financial Management Inc.

Pursuant to a consulting agreement dated October 1, 2007, between the Company and GSBC Financial Management Inc. ("GSBC"), a company wholly owned by Robert J. Scott, GSBC supplies the services of Robert J. Scott as CFO of the Company, and all related services, for a monthly fee of \$14,167. As of July 2017, the monthly fee was reduced to \$12,167 and as of October 2017, the monthly fee was further reduced to \$8,400. In addition to the monthly fee, at the discretion of the Board, GSBC may be granted a performance bonus payable in cash or Common Shares of the Company. As at the date of this Information Circular, GSBC is continuing this agreement on a month-to-month basis. One month's advance notice is required by either party

to terminate the agreement.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of the Company's Named Executive Officers and directors is determined by the full Board. Compensation is determined based on factors considered relevant and appropriate, including the level of service provided, the background and expertise of the individual director or NEO, amounts paid by other companies in similar industries at similar stages of development, and compensation levels necessary to attract, retain and develop management of a high caliber. Compensation is typically reviewed annually by the Board, usually in the first fiscal quarter, but may also be reviewed on an ad hoc basis as the need arises.

The Company's compensation structure has two primary components, cash compensation and share-based compensation in the form of incentive stock options and bonus shares. Cash compensation has two components, base salary/consulting fees and bonuses. For the Company's financial year ended September 30, 2022, Arriva, which provides the services of John-Mark Staude as CEO, received base cash compensation of \$249,040 for providing those services. GSBC, which provides the services of Robert J. Scott as CFO, received base cash compensation of \$96,000. The base cash compensation paid to the Company's NEOs is based on the Board's subjective assessment of the value to the Company of the services provided by each, and the other factors referred to in the foregoing.

Bonuses are awarded annually to the Company's CEO on two bases. A Common Share (or cash if necessary) bonus is payable by the Company equivalent to 1% of the increase in the size of the Company's market capitalization during the year of at least \$25,000,000, calculated as at December 31 of each year, subject to a maximum annual pay-out of \$500,000. In addition, a bonus of \$25,000 is paid annually for the life of any new exploration alliance that is generated for the Company. A bonus may be awarded annually to the Company's CFO in the discretion of the Board, on the recommendation of the Compensation Committee, based on the overall performance of the Company and other criteria the Board considers relevant. For the most recently completed financial year, no bonus was awarded to Arriva or GSBC.

The Company may grant stock options pursuant to its stock option plan and/or issue bonus shares pursuant to its Bonus Share Plan to officers and directors on an ad hoc basis, based on the same subjective performance criteria referred to in the foregoing and other performance criteria considered relevant by the Board.

The Company regards the strategic use of incentive stock options and bonus shares as a significant component of its compensation structure. In evaluating option grants and bonus share issues, the Board evaluates a number of factors including, but not limited to: (i) the number of options or bonus shares already held by or issued to an individual; (ii) a fair balance between the number of options held by or bonus shares issued to an individual and those held by or issued to other directors or officers, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) and bonus shares as a component of the individual's overall compensation.

No significant events occurred during the most recently completed financial year that significantly affected compensation. While the Board considers amounts paid by other companies in similar industries at similar stages of development in determining compensation, no specifically selected peer group has been identified as a comparable. No significant changes were made to the Company's compensation policies since the commencement of the most recently completed financial year.

CORPORATE GOVERNANCE

General

“Corporate Governance” refers to the process and structure used to direct and manage the business and affairs of a corporation. The objective is to enhance shareholder value, including ensuring the financial viability of the business. Corporate governance processes and structures define the division of power among the shareholders, the board of directors and management, and establish ways to ensure accountability. They also take into account how the direction and management of the business will affect other stakeholders such as employees, customers, suppliers and communities.

The Canadian Securities Administrators have adopted National Policy - 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) and National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

NP 58-201 sets forth a set of guidelines or “best practices” for reporting issuers to consider when evaluating their own corporate governance practices. Recognizing that not all of the guidelines set forth in NP 58-201 will be appropriate for all companies, full implementation of the guidelines is not mandated by either NP 58-201 or the TSX Venture Exchange (the “**Exchange**”). NI 58-101 mandates the disclosure of the corporate governance practices actually implemented by a reporting issuer, in certain prescribed disclosure documents.

As the business of the Company is straightforward, the Company is at an early stage of development and its Board is relatively small, the Company’s Corporate Governance practices are at an early stage of evolution. The following describes the Company’s approach to corporate governance, in compliance with NI 58-101.

Board of Directors

The Board consists of a total of four directors, John-Mark Staude, James Clare, Walter Henry and Wendy Chan. John-Mark Staude, President and Chief Executive Officer is not independent director of the Company. The other three directors are independent.

Directorships

The following table sets out details of directorships in other public issuers, held by each of the current directors standing for re-election:

Director	Other Reporting Issuer(s)
John-Mark Staude	Capitan Mining Inc.
James Clare	PIX Resources Inc. Spanish Mountain Gold Ltd.
Walter Henry	Frontline Gold Corporation Alturas Minerals Corp Advance United Holdings Inc.
Wendy Chan	None

Orientation and Continuing Education

The Company does not have a formal process of orientation for new Board members. However, the Company does orient and educate new Board members by providing background information, conducting personal meetings and responding to questions, during the early stages of a new Board member's involvement with the Company.

The Company does not have a formal process of continuing education for directors. Generally, the Company expects that existing and new Board members will have a familiarity with the business of mineral exploration and development. Professional advisors may be invited to attend Board meetings, as needed. The Company also relies on the relatively straightforward nature of its business, and the established qualifications and expertise of its Board members.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Disclosure Policy (the “**Code**”) for the Company’s directors, officers and employees with respect to ethical business conduct. A full copy of both the Code of Business Conduct and Disclosure Policy was filed on SEDAR on November 30, 2009. To the greatest extent possible, the Company attempts to attract and retain individuals with a well-developed personal code of ethical conduct in both their business and personal lives.

In considering a transaction in which a director has a material interest, the director is required to disclose the nature and extent of his interest to the Board and to abstain from voting on any resolution pertaining to the transaction.

Nomination of Directors

The Board does not have a Nominating Committee to identify new candidates for Board nomination. Potential candidates for appointment to the Board are considered by the Board as a whole, in reliance on the recommendations, qualifications and experience of its members. Nominees are interviewed by the Board and are asked to join the Board where consensus regarding the nominee is obtained. The Board recognizes that, in accordance with good corporate governance practices, it is desirable to appoint additional members who are independent and gives weight to this consideration in its Board appointments.

Compensation

The Board has a Compensation Committee consisting of Wendy Chan, James Clare and Walter Henry. The Compensation Committee sets cash compensation for the Company’s CEO and CFO. Stock options and bonus shares are set by the Compensation Committee and then granted by the full Board. Further particulars concerning the compensation of the Company’s directors and officers are set forth under “*Oversight and Description of Director and Named Executive Officer Compensation*”.

Other Board Committees

The Board has no committees other than its Audit Committee and Compensation Committee.

Assessments

The Board has no specific procedures for regularly assessing the effectiveness and contribution of the Board, its committees or individual directors. As the business of the Company is relatively straightforward and its Board relatively small, it is expected that a significant lack of performance on the part of a committee or individual director would become readily apparent and could be dealt with on a case-by-case basis. With respect to the Board as a whole, the Board monitors its

performance on an ongoing basis, and as part of that process considers the overall performance of the Company and input from its shareholders.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

National Instrument 52-110 of the Canadian Securities Administrators (“**NI 52-110**”) requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor, as set forth in the following.

The Company's Audit Committee is governed by an Audit Committee Charter. A copy of the Audit Committee Charter is attached as Schedule “A” to this Information Circular.

The Company's Audit Committee is comprised of three directors, James Clare, Wendy Chan, and Walter Henry. As defined in NI 52-110, all the members of the Audit Committee are “independent”. Also as defined in NI 52-110, all of the Audit Committee members are “financially literate”. The experience of the Audit Committee members is set forth in the following.

James Clare, Director

James Clare has a corporate commercial and securities law practice, with an emphasis on corporate finance and mergers and acquisitions, focused on assisting clients in the mining and oil and gas sectors. His transactional experience includes domestic and cross-border public and private corporate finance transactions representing issuers and underwriters as well as merger and acquisitions transactions. He also advises public issuers on general corporate and securities law matters including stock exchange listings, continuous disclosure obligations and other regulatory compliance issues. During her time at Moxie Strategy Inc., a boutique strategy, business development, deal structuring and mergers and acquisition firm that she founded more than a decade ago, she has worked on key development projects in Canada, United States, Eritrea, Cambodia, Colombia, Australia and Africa. She is fluent in Mandarin and Cantonese and a few Asian languages and is conversant in East-West cultures, which has enabled her to have successfully led many cross-cultural business development projects.

Walter Henry, Director

Walter Henry is currently President of Frontline Gold Corporation, holds a BA in Political Science/Economics, and has several years of experience in the finance and mining industries. He served with CIBC, BNP Paribas, and Price Waterhouse Coopers where he managed portfolios and arranged project financing totaling over \$1 billion.

He currently holds various Chairman, Audit Chairman and Director roles in the following companies: Alexandria Minerals Corporation, Alturas Minerals Corp., and Platinex Inc. He has completed the requirements of the Chartered Financial Analyst program and the Institute of Corporate Directors - Director Education Program.

Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors have not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. NI 52-110 provides that the Audit Committee must pre-approve all non-audit services to be provided by the Company's

auditor. Section 2.4 provides an exemption from this requirement where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

No specific policies or procedures have been adopted with respect to the provision of non-audit services by the Company's external auditor although, under the Company's Audit Committee Charter, such services are required to be approved by the Audit Committee.

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees billed to the Company by its auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees

Approval of 2023 Stock Option Plan

On November 24, 2021, the Exchange adopted a New Policy 4.4 – Security Based Compensation of the Exchange’s Corporate Finance Manual governing security-based compensation (“**New Policy 4.4**”). The changes to the policy generally relate to the expansion of the policy to cover a number of types of security-based compensation in addition to stock options. At the Meeting, Shareholders will be asked to approve the adoption of a New 10% rolling Stock Option Plan (the “**2023 Option Plan**”). The 2023 Option Plan was approved by the Board on February 15, 2023

and has been conditionally accepted by the Exchange. The 2023 Option Plan shall become effective upon the receipt of approval of the Shareholders and the final acceptance of the Exchange (the “**Effective Date**”) and will replace the Stock Option Plan. All of the stock options outstanding under the Stock Option Plan (the “**Outstanding Options**”), currently being 4,060,000 stock options as at the date of this Information Circular, will remain outstanding and in full force and effect in accordance with their terms after the Effective Date. However, following the Effective Date, no additional grants shall be made pursuant to the Stock Option Plan, and the Stock Option Plan will terminate on the date upon which no Outstanding Options remain outstanding.

The purpose of the 2023 Option Plan is to, among other things: (i) provide the Company with a mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries; (ii) reward directors, officers, employees and consultants that have been granted stock options (each, an “Option”) under the 2023 Option Plan for their contributions toward the long-term goals and success of the Company; and (iii) enable and encourage such directors, officers, employees and consultants to acquire Shares of the Company as long-term investments and proprietary interests in the Company. The approval of the 2023 Option Plan by the Board is subject to approval by the Shareholders and to the final acceptance of the Exchange.

A summary of certain provisions of the 2023 Option Plan is set out below, and a full copy of the 2023 Option Plan is attached hereto as Schedule “B”. This summary is qualified in its entirety to the full copy of the 2023 Option Plan.

Summary of the 2023 Option Plan

Eligibility

The 2023 Option Plan allows the Company to grant Option to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries (collectively, the “**Option Plan Participants**”).

Number of Shares Issuable

The aggregate number of Common Shares that may be issued to Option Plan Participants under the 2023 Option Plan will be that number of Shares equal to 10% of the issued and outstanding Shares on the particular date of grant of the Option, inclusive of the Outstanding Options.

Limits on Participation

The 2023 Option Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the Exchange, unless disinterested Shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the Exchange:

- (i) the maximum number of Shares that may be issued to any one Option Plan Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly-owned by the Option Plan Participant) under the 2023 Option Plan, together with any other security based compensation arrangements, within a 12- month period, may not exceed 5% of the issued Shares calculated on the date of grant;
- (ii) the maximum number of Shares that may be issued to insiders collectively under the 2023 Option Plan, together with any other security based compensation arrangements, within a 12-month period, may not exceed 10% of the issued Shares calculated on the date of grant; and
- (iii) the maximum number of Shares that may be issued to insiders collectively under the 2023 Option Plan, together with any other security based compensation arrangements,

may not exceed 10% of the issued Shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Options which may be granted within any 12-month period to Option Plan Participants who perform investor relations activities must not exceed 2% of the issued and outstanding Shares, and such Options must vest in stages over 12 months with no more than 25% vesting in any three-month period. In addition, the maximum number of Shares that may be granted to any one consultant under the 2023 Option Plan, together with any other security-based compensation arrangements, within a 12-month period, may not exceed 2% of the issued Shares calculated on the date of grant.

Administration

The plan administrator of the 2023 Option Plan (the “**Option Plan Administrator**”) will be the Board or a Committee of the Board, if delegated. The Option Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Options under the 2023 Option Plan; determine conditions under which Options may be granted, vested or exercised, including the expiry date, exercise price and vesting schedule of the Options; establish the form of option certificate (“**Option Certificate**”); interpret the 2023 Option Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2023 Option Plan.

Subject to any required regulatory or shareholder approvals, the Option Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Option Plan Participants, amend, modify, change, suspend or terminate the Options granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the 2023 Option Plan or any Option granted pursuant thereto may materially impair any rights of an Option Plan Participant or materially increase any obligations of an Option Plan Participant under the 2023 Option Plan without the consent of such Option Plan Participant, unless the Option Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the 2023 Option Plan.

All of the Options are subject to the conditions, limitations, restrictions, vesting, exercise and forfeiture provisions determined by the Option Plan Administrator, in its sole discretion, subject to such limitations provided in the 2023 Option Plan, and will be evidenced by an Option Certificate. In addition, subject to the limitations provided in the 2023 Option Plan and in accordance with applicable law, the Option Plan Administrator may accelerate the vesting of Options, cancel or modify outstanding Options and waive any condition imposed with respect to Options or Shares issued pursuant to Options.

Exercise of Options

Options shall be exercisable as determined by the Option Plan Administrator at the time of grant, provided that no Option shall have a term exceeding 10 years so long as the Shares are listed on the Exchange.

Subject to all applicable regulatory rules, the vesting schedule for an Option, if any, shall be determined by the Option Plan Administrator. The Option Plan Administrator may elect, at any time, to accelerate the vesting schedule of an Option, and such acceleration will not be considered an amendment to such Option and will not require the consent of the Option Plan Participant in question. However, no acceleration to the vesting schedule of an Option granted to an Option Plan Participant performing investor relations services may be made without prior acceptance of the Exchange.

The exercise price of an Option shall be determined by the Option Plan Administrator and

cannot be lower than the greater of: (i) the minimum price required by the Exchange; and (ii) the market value of the Shares on the applicable grant date.

An Option Plan Participant may exercise the Options in whole or in part through any one of the following forms of consideration, subject to applicable laws, prior to the expiry date of such Options, as determined by the Option Plan Administrator:

- the Option Plan Participant may send a wire transfer, certified cheque or bank draft payable to the Company in an amount equal to the aggregate exercise price of the Shares being purchased pursuant to the exercise of the Options;
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, a brokerage firm may be engaged to loan money to the Option Plan Participant in order for the Option Plan Participant to exercise the Options to acquire the Shares, subsequent to which the brokerage firm shall sell a sufficient number of Shares to cover the exercise price of such Options to satisfy the loan. The brokerage firm shall receive an equivalent number of Shares from the exercise of the Options, and the Option Plan Participant shall receive the balance of the Shares or cash proceeds from the balance of such Shares; and
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options, in lieu of a cash payment to the Company, an Option Plan Participant, excluding those providing investor relations services, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the volume-weighted average trading price of the Shares and the exercise price of the Options, by (ii) the volume-weighted average trading price of the Shares. The number of Shares delivered to the Option Plan Participant may be further reduced to satisfy applicable tax withholding obligations. The number of Options exercised, surrendered or converted, and not the number of Shares issued by the Issuer, must be included in calculating the number of Shares issuable under the 2023 Option Plan and the limits on participation.

If an exercise date for Option occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the 2023 Option Plan, the Option shall be exercised no more than ten business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

Termination of Employment or Service and Change in Control

The following describes the impact of certain events that may, unless otherwise determined by the Option Plan Administrator or as set forth in an Option Certificate, lead to the early expiry of Options granted under the 2023 Option Plan.

Termination by the Company for cause:	Forfeiture of all unvested Options. The Option Plan Administrator may determine that all vested Options shall be forfeited, failing which all vested Options shall be exercised in accordance with the 2023 Option Plan.
Voluntary resignation of an Option Plan Participant:	Forfeiture of all unvested Options. Exercise of vested Options in accordance with the 2023 Option Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Options in accordance with a prescribed formula as set out in the 2023 Option Plan. ¹ Forfeiture of the remaining unvested Options. Exercise of vested Options in accordance with the 2023 Option Plan.
Death or disability of an Option Plan Participant:	Acceleration of vesting of all unvested Options. ¹ Exercise of vested Options in accordance with the 2023 Option Plan.
Termination or voluntary resignation for good reason within 12 months of a change in control:	Acceleration of vesting of all unvested Options. ¹ Exercise of vested Options in accordance with the 2023 Option Plan.

Note: (1) Any acceleration of vesting of unvested Options granted to an investor relations service provider is subject to the prior written approval of the Exchange.

Any Options granted to an Option Plan Participant under the 2023 Option Plan shall terminate at a date no later than 12 months from the date such Option Plan Participant ceases to be an Option Plan Participant.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company's assets, the Option Plan Administrator may, without the consent of the Option Plan Participant, cause all or a portion of the Options granted to terminate upon the occurrence of such event.

Amendment or Termination of the 2023 Option Plan

Subject to any necessary regulatory approvals, the 2023 Option Plan may be suspended or terminated at any time by the Option Plan Administrator, provided that no such suspension or termination shall alter or impact any rights or obligations under an Option previously granted without the consent of the Option Plan Participant.

The following limitations apply to the 2023 Option Plan and all Options thereunder as long as such limitations are required by the Exchange:

- any adjustment to Options, other than in connection with a security consolidation or security split, is subject to prior Exchange acceptance and the issuance of a news release by the Company outlining the terms thereof;
- any amendment to the 2023 Option Plan is subject to prior Exchange acceptance, except for amendments to reduce the number of Shares issuable under the 2023 Option Plan, to increase the exercise price of Options or to cancel Options;

- any amendments made to the 2023 Option Plan shall require regulatory and Shareholder approval and the issuance of a news release by the Company outlining the terms thereof, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the 2023 Option Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- the exercise price of an Option previously granted to an insider must not be reduced, or the extension of the expiry date of an Option held by an insider may not be extended, unless the Company has obtained disinterested shareholder approval to do so in accordance with Exchange policies.

Subject to the foregoing limitations and any necessary regulatory approvals, the Option Plan Administrator may amend any existing Options or the 2023 Option Plan or the terms and conditions of any Option granted thereafter, although the Option Plan Administrator must obtain written consent of the Option Plan Participant (unless otherwise excepted out by a provision of the 2023 Option Plan) where such amendment would materially decrease the rights or benefits accruing to an Option Plan Participant or materially increase the obligations of an Option Plan Participant.

- (d) amend the terms of any Option, subject to and in accordance with the terms and conditions of the Plan;
- (e) cancel, amend, adjust or otherwise change any Option under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of the Plan, including but not limited to:
- (i) allowing non-Vested Options to be treated as Vested upon termination of employment or service of a Participant, as to any or all of termination, death or Disability;
 - (ii) providing that the Options with respect to certain classes, types or groups of Participants will have different acceleration, forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
 - (iii) providing for the continuation of any Option for such period which is not longer than 12 months from the Termination Date or 12 months from the date of death or Disability of the Participant, and upon such terms and conditions as are determined by the Plan Administrator in the event that a Participant ceases to be an Executive, Employee or Consultant, as the case may be;
 - (iv) providing that Vested Options may be exercised for periods longer or different from those set forth in the Plan, subject to the applicable rules of the Exchange; and
 - (v) setting any other terms for the exercise or termination of an Option upon termination of employment or service;
- (f) construe and interpret the Plan and all Option Certificates;
- (g) determine all questions arising in connection with the administration, interpretation and application of the Plan, including all questions relating to the Market Price of the Shares;
- (h) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (i) determine whether, to what extent, and under what circumstances an Option may be exercised in cash, through a cashless exercise or through net exercise pursuant to Section 4.8;
- (j) determine the duration and purposes of leaves of absence from employment or engagement by the Corporation which may be granted to Participants without constituting a termination of employment or engagement for purposes of the Plan;

- (k) authorize Persons to execute such documents and instruments as may be necessary to carry out the purposes of the Plan and grants of Options from time to time hereunder;
- (l) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan; and
- (m) make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Plan.

3.2 Delegation to Committee

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by Applicable Law, the Board may, from time to time, delegate to a committee of the Corporation (the “**Committee**”), consisting of not less than two of its members, all or any of the powers conferred on the Plan Administrator pursuant to the Plan, including the power to sub-delegate to any specified Directors or Officers all or any of the powers delegated by the Board. From time to time, the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and appoint new members in their place, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.
- (c) In the event the Board delegates to the Committee all or any of the powers conferred on the Plan Administrator pursuant to the Plan, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party. Any decision made or action taken by the Committee or any sub-delegate arising out of or in connection with the administration or interpretation of the Plan in this context is final and conclusive and binding on the Corporation and all affiliates of the Corporation, all Participants and all other Persons.

3.3 Determinations Binding

Any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration interpretation of the Plan is final, conclusive and binding on all affected Persons, including the Corporation and any of its Subsidiaries, the affected Participants and their Personal Representatives, any shareholder of the Corporation and all other Persons.

3.4 Eligibility

Subject to the discretion of the Plan Administrator, all Executives, Employees and Consultants are eligible to participate in the Plan. Participation in the Plan is voluntary and eligibility to participate does not confer upon any Executive, Employee or Consultant any right to receive any grant of an Option pursuant to the Plan. In addition, in order to be eligible to receive Options, in the case of Employees and Consultants, the Option Certificate to which they are a party must contain a representation of the Corporation and of such Employee or Consultant, as the case may be, that such Employee or Consultant is a bona fide Employee or Consultant of the Corporation or a Subsidiary of the Corporation, as the case may be. Options may be granted to a Company that is wholly-owned by an individual Executive, Employee or Consultant.

For clarity, Investor Relations Service Providers may not be granted any other Security Based Compensation Arrangements except for Options under the Plan.

3.5 Board Requirements

Any Option granted under the Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Option upon any securities exchange or under any Applicable Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Option or the issuance or purchase of Shares thereunder, such Option may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 Liability Limitation and Indemnification

No member of the Board or the Committee shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Option Certificate or any Option granted hereunder.

3.7 Total Shares Subject to Options

Subject to adjustment pursuant to ARTICLE 7, the number of Shares hereby reserved for issuance to Participants under the Plan shall not exceed 10% of the number of Shares which are issued and outstanding on the particular date of grant of Options. There are **4,060,000** Options (the “**Outstanding Options**”) outstanding on the date hereof which were granted under the Prior Plan, which will remain in full force and effect in accordance with their terms. The number of Shares issuable upon exercise of the Outstanding Options shall be included in the calculation of the maximum number of Shares issuable pursuant to Options. Any Shares subject to an Option which has been granted under the Plan and which has been cancelled, terminated, surrendered, forfeited or expired without having been exercised as provided for in the Plan shall again be available under the Plan.

3.8 Limits on Options

Notwithstanding anything in the Plan, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a) unless disinterested Shareholder Approval is obtained in accordance with the policies of the TSXV (or unless permitted otherwise by the policies of the TSXV):
 - (i) the maximum number of Shares that may be issued to any one Participant (and where permitted pursuant to the policies of the TSXV, any Company that is wholly-owned by the Participant) under the Plan, together with all of the Corporation’s other Security Based Compensation Arrangements, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Date of Grant;
 - (ii) the maximum number of Shares that are issuable pursuant to all the Corporation’s Security Based Compensation Arrangements granted or issued in any 12-month period to Insiders (as a group) must not exceed 10% of the issued Shares, calculated as at the date any security based compensation of the Corporation is granted or issued to any Insider; and

- (iii) the maximum number of Shares that are issuable pursuant to all the Corporation's Security Based Compensation Arrangements granted or issued to Insiders (as a group) must not exceed 10% of the issued Shares at any point in time;
- (b) the maximum number of Shares that may be issued to any one Consultant under the Plan, together with all of the Corporation's other Security Based Compensation Arrangements, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Date of Grant;
- (c) the maximum number of Shares issuable pursuant to Options which may be granted within any 12-month period to Investor Relations Service Providers (as a group) must not exceed 2% of the issued Shares calculated on the Date of Grant;
- (d) Options granted to Investor Relations Service Providers must vest in stages over 12 months with no more than 25% of the Options vesting in any three-month period; and
- (e) any Options granted to a Participant who ceases to be a Participant under the Plan for any reason whatsoever shall terminate at a date no later than 12 months from the date such Participant ceases to be a Participant under the Plan.

3.9 Option Certificates

Each Option under the Plan will be evidenced by an Option Certificate. Each Option Certificate will be subject to the applicable provisions of the Plan and will contain such provisions as are required by the Plan and any other provisions that the Plan Administrator may direct.

3.10 Non-transferability of Options

Except to the extent that certain rights may pass to a beneficiary or Personal Representative upon death of a Participant by will or as required by law, no Option is assignable or transferable.

3.11 Resale Restrictions

Any Shares issued by the Corporation upon exercise or settlement of an Option are subject to any resale and trading restrictions in effect pursuant to Applicable Laws and the policies of the Exchange, and the Corporation shall be entitled to place any restriction or legend on any certificates representing such Shares accordingly. Any Option Certificate will bear the following legend, if required pursuant to the policies of the TSXV:

“Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate, and any securities issued upon exercise hereof, may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [Insert the date that is four months and one day after the date of the grant of the Option will be inserted].”

Any certificate representing Shares issued pursuant to an exercise of an Option before the date that is four month and one day after the date of grant of an Option will bear the following legend, if required pursuant to the policies of the TSXV:

“Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [Insert

the date that is four months and one day after the date of the grant of the Option will be inserted].”

ARTICLE 4 OPTIONS

4.1 Granting of Options

The Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of the Plan and such other terms and conditions as the Plan Administrator may determine, grant Options to any Participant, and in doing so, may, without limitation, in its discretion, (a) designate the Participants who may receive Options under the Plan, (b) fix the number of Options to be granted to each Participant and the date or dates on which such Options shall be granted, and (c) determine the relevant conditions and vesting schedules in respect of any Options.

4.2 Options Account

All Options received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation as of the Date of Grant. The terms and conditions of each Option grant shall be evidenced by an Option Certificate.

4.3 Exercise Period of Options

Subject to Sections 4.10, 5.1, and 7.4 and ARTICLE 6, the Date of Grant and the Expiry Date of an Option shall be the dates fixed by the Plan Administrator at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option, provided that the duration of such Option will not exceed the maximum term permitted by each organized trading facility on which the Shares are listed, being 10 years for the TSXV from the Date of Grant of such Option (subject to extension where the Expiry Date is within a Black-Out period pursuant to Section 5.1).

4.4 Number of Shares under an Option

The number of Shares which may be purchased pursuant to an Option shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option.

4.5 Exercise Price of an Option

The Exercise Price at which a Participant may purchase a Share upon the exercise of an Option shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option. The Exercise Price shall not be less than the Market Price of the Shares as of the Date of Grant. The Market Price of the Shares for a particular Date of Grant shall be determined as follows:

- (a) for each organized trading facility on which the Shares are listed, Market Price will be:
 - (i) the closing trading price of the Shares on the day immediately preceding the issuance of the News release announcing the grant of the Option, or
 - (ii) if, in accordance with the policies of the TSXV, the Corporation is not required to issue a News release to announce the grant and exercise price of the Option, the closing trading price of the Shares on the day immediately preceding the Date of Grant,

and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;

- (b) if the Shares are listed on more than one organized trading facility, the Market Price shall be the Market Price as determined in subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Plan Administrator, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Price will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Plan Administrator; and
- (d) if the Shares are not listed on any organized trading facility, then the Market Price will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Plan Administrator to be the fair value of the Shares, taking into consideration all factors that the Plan Administrator deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length.

Notwithstanding anything else contained herein, in no case will the Market Price be less than the minimum prescribed by each of the organized trading facilities that would apply to the Corporation on the Date of Grant in question.

4.6 Vesting of Options and Acceleration

Subject to the limitations in Section 3.8 and all Applicable Laws, the vesting schedule for an Option, if any, shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option. The Plan Administrator may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Participant under Section 8.2 of the Plan. Notwithstanding the foregoing, if the Corporation is listed on the TSXV, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

4.7 Additional Terms

Subject to all Applicable Laws and all necessary Regulatory Approvals, the Plan Administrator may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Corporation shall prevail over the terms and conditions in the Option Certificate.

4.8 Exercise of Options

An Option may be exercised only by the Participant or the Personal Representative of any Participant. A Participant or the Personal Representative of any Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Plan Administrator the required Exercise Notice, the applicable Option Certificate and one of following forms of consideration, subject to Applicable Laws:

- (a) *Cash Exercise* - Consideration may be paid by a Participant sending a wire transfer, certified cheque or bank draft payable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option.
- (b) *Cashless Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by a Participant as follows: (i) a brokerage firm loans money to the Participant in order for the Participant to exercise Options to acquire the underlying Shares (the “**Loan**”); (ii) the brokerage firm then sells a sufficient number of Shares to cover the Exercise Price of the Options that were exercised by the Participant in order to repay the Loan; and (iii) the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Participant receives the balance of the Shares or the cash proceeds from the balance of such Shares.
- (c) *Net Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options such that, in lieu of a cash payment to the Corporation, a Participant, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the Exercise Price of the subject Options, by (ii) the VWAP of the underlying Shares. The number of Shares delivered to the Participant may be further reduced to satisfy applicable tax withholding obligations pursuant to Section 5.2. In the event of a net exercise, the number of Options exercised, surrendered or converted, and not the number of Shares issued, must be included in calculating the limits set forth in Sections 3.7 and 3.8.

4.9 Issue of Share Certificates or Direct Registration Statements

As soon as reasonably practicable following the receipt of the Exercise Notice, the Plan Administrator shall cause to be delivered to the Participant a certificate or direct registration statement for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Plan Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option, being the number of Shares subject to the Option Certificate surrendered less the number of Shares purchased and, if applicable, the number of Options exercised, surrendered or converted in accordance with Section 4.8(c), to the Participant concurrent with delivery of the certificate or direct registration statement for the Shares.

4.10 Termination of Options

Subject to such other terms or conditions that may be attached to Options granted hereunder, a Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Plan Administrator at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, pursuant to ARTICLE 6.

ARTICLE 5 ADDITIONAL OPTION TERMS

5.1 Black-Out Period

If the Expiry Date for an Option occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Option shall be extended no more than ten Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the

Corporation is subject to a cease trade order in respect of the Corporation's securities.

5.2 Withholding Taxes

The granting, vesting or exercise of each Option under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or exercise, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or exercise of the Option. Any such additional payment is due no later than the date on which such amount with respect to the Option is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise or vesting of such Option and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount. If the Corporation is listed on the TSXV, the Corporation will ensure that any tax withholding made by the Corporation under the Plan is conducted in compliance with Policy 4.4.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan, whether arising as a result of the grant or payment in respect of the Option or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Option or issuances of Shares and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

5.3 Recoupment

Notwithstanding any other terms of the Plan, Options may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Option, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 5.3 to any Participant or category of Participants.

5.4 No Other Benefit

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share or the value of any Option granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Options whatsoever. Participants are expressly advised that the value of any Options issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Options.

ARTICLE 6 **TERMINATION OF EMPLOYMENT OR SERVICES**

6.1 Termination of Participant

Subject to ARTICLE 7 and unless otherwise determined by the Plan Administrator or as set forth in an Option Certificate:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Options held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) subject to Section 4.6, a portion of any Options held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Options multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Options were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options will immediately vest;
 - (ii) subject to Section 6.1(c)(i), any Options held by the Participant that are not yet Vested at the Termination Date after the application of Section 6.1(c)(i) shall be immediately forfeited to the Corporation; and

- (iii) any Options held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 6.1(c)(i) shall be settled in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Options under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 6.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

6.2 Leave of Absence

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Option during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

6.3 Death or Disability

Subject to Section 4.6, where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; and (ii) first anniversary of the date of the death or Disability of the Participant. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Options under the Plan ceases as of the date of the death or Disability of the Participant.

6.4 Discretion to Permit Acceleration

Notwithstanding the provisions of this ARTICLE 6, subject to Sections 3.8(d) and 4.6 and any necessary Regulatory Approvals, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in ARTICLE 6, permit the acceleration of vesting of any or all Options, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Options occurs, then such Options will be exercised in accordance with Section 4.8.

ARTICLE 7

EVENTS AFFECTING THE CORPORATION

7.1 Change in Control

Subject to any necessary Regulatory Approvals:

- (a) Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Options held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Options shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period.
- (b) Notwithstanding Section 7.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance pursuant to Section 8.2(a), as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Options into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Options to vest and become realizable, or payable; (iii) restrictions applicable to an Option to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Option in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Option or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Option or realization of the Participant's rights, then such Option may be terminated by the Corporation without payment); (v) the replacement of such Option with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 7.1(a), the Plan Administrator will not be required to treat all Options similarly in the transaction.

7.2 Triggering Events

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Option Certificate, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable. Notwithstanding the foregoing, if the Corporation is listed on the TSXV, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

7.3 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Options in order to adjust the number of Shares that may be acquired on the vesting of outstanding Options and/or the terms of any Option in order to preserve proportionately the rights and obligations of the Participants holding such Options, the Plan Administrator may, subject to the prior approval of the Exchange, if required, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Options and amending the Exercise Price payable per Share. For greater certainty, neither this Section 7.3 nor any other provision in the Plan permit a Participant to receive additional security based compensation in lieu of dividends declared by the Corporation.

7.4 Assumptions of Options in Acquisitions

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Options under the Plan without shareholder approval, provided that the rules of the TSXV are complied with.

7.5 No Restriction on Action

The existence of the Plan and of any Options granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

7.6 Issue by Corporation of Additional Shares

Except as expressly provided in this ARTICLE 7, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Options.

7.7 Fractions

No fractional Shares will be issued pursuant to an Option. Accordingly, if, as a result of any adjustment under this ARTICLE 7, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 8 **AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN**

8.1 Discretion of the Plan Administrator

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV and to Section 8.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Options granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Options granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

8.2 Amendment of Option or Plan

Notwithstanding Section 8.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a) any adjustment to Options, other than in connection with a security consolidation or security split, is subject to the prior acceptance of the TSXV and the issuance of a News release by the Corporation outlining the terms thereof;
- (b) any amendment to the Plan is subject to the prior acceptance of the TSXV, except for amendments to: (i) reduce the number of Shares that may be issued under the Plan, (ii) increase the Exercise Price of Options, or (iii) cancel Options;
- (c) subject to any rules of the TSXV, approval of shareholders of the Corporation shall be required for any amendment to the Plan except for amendments to: (i) fix typographical errors, and (ii) clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- (d) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option, held by an Insider at the time of the proposed amendment is subject to disinterested shareholder approval in accordance with the policies of the TSXV and the issuance of a News release by the Corporation outlining the terms thereof.

ARTICLE 9 **MISCELLANEOUS**

9.1 Legal Requirement

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

9.2 Rights of Participant

No Participant has any claim or right to be granted an Option and the granting of any Option is not to be

construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Option until the allotment and issuance to such Participant or the liquidator, executor or administrator, as the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

9.3 Conflict

In the event of any conflict between the provisions of the Plan and the provisions of an Option Certificate, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

9.4 Anti-Hedging Policy

By accepting the Option, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options.

9.5 No Guarantee of Tax Consequences

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

9.6 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

9.7 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

9.8 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

9.9 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:

9.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date, and will replace the Prior Plan. All awards granted under the Prior Plan and which remain outstanding at the Effective Date will remain in full force and effect in accordance with their terms; however, following the Effective Date, no additional grants shall be made under the Prior Plan, and the Prior Plan will terminate on the date upon which no further Outstanding Options remain outstanding.
