

### OVERVIEW

Riverside follows the Prospect Generator business model and leverages the Company's database and experienced technical team to discover and acquire new exploration assets.

Benefits of the Prospect Generator model:

- Conserves capital and reduces burn rate: RRI has +C\$8M in cash.
- Limits shareholder dilution: RRI has <80M shares outstanding</li>
- Increases discovery opportunities by advancing numerous projects simultaneously Riverside continues to focus on acquiring new quality projects to add to the portfolio, as partner funding advances the existing portfolio
